NOTE: The footwear is manufactured according to the State Standards and is attested by a quality certificate. The factory is not limited to production of the above mentioned models and may manufacture footwear of any modification at the request of the customer. All the prices are regulated depending on the volume of the order and costs of materials, used for production of the footwear.

Footwear with a metal toe + 28 RUR

Footwear with a leather insole + 32 RUR

Footwear production with use of brass nails + 15 RUR

Footwear with an oil-and-gasoline-resistant sole + 28 RUR

The prices for the women's footwear are similar to the prices for the men's one.
